(1) Includes but is not limited to law firms, consulting firms, and general contractors.

(2) Totals, other than number of firms reporting, are enhanced to the extent that an exporter and one or more service related organizations report on the same transaction.

(3) Two or more types of restrictive trade practice requests are often reported in connection with one transaction.

(4) Dollar values may not add due to rounding.

(5) This figure does not represent business lost due to refusals with boycott requests. Instead, it indicates that U.S. companies refused to comply with the boycott request in bidding on the boycott language is often revised to allow U.S. companies to bid consistent with U.S. law. Such revisions are not included in these statistics.

(6) Transactions in this table are characterized as "take action" or "refuse" in terms of action reported on the original request.
